Subject:

Swim Team Parents

At Parents Night we talked about the importance of filling the Official Positions in order for our Swim Meets to take place. Some of you kindly said that you would be interested in attending the Official Clinics offered by GPSA. I need a list of people who are actually going to attend these clinics, what position you will be trained in and the date of the course you will attend.

The Official Positions that require training are:

Scorekeeper - only offered on the 4th

Stroke and Turn

Starter

Referee

You only need to attend one session per position being trained.

Saturday 4th June

Marlbank

9:00am - 12:00pm

Wednesday 15th June

Poquoson

6:30pm-9:30pm

Don't forget without ALL our Official Positions filled we forfeit a meet. If you are remotely interested please make plans to attend knowing that if you would feel more comfortable you can shadow somebody this year with the intention of fulfilling that position next year. If I can have a list as soon as possible it will help us anticipate the training we need to provide at our Mock Meet.

If you have any questions about training, contact Ellen Bollinger Tinneny at [ellen.bollinger@chkd.org](mailto:ellen.bollinger@chkd.org)

Thanks

Sandra Di Gangi
