Hi Swim Team Parents

Just a couple of notices and reminders for you.

For those of you who did not attend Parents Night and did not receive an up to date copy of the Volunteer Booklet and the Parents Guide - we will be handing them out at practices this afternoon. Please come by and pick up a copy of each, it is important that you read through and become familiar with the positions you have volunteered for in time for the Mock Meet on June 20th.

Also, if you still haven't signed up to do any volunteer positions at the meets (and there are some of you out there!) I need you to view the schedule on the website then contact me with your choice of duties and dates.

We currently have nobody to cover Sweep Judge which is a critical position although it doesn't need any training. It is an easy job and great for watching your swimmer as you sit poolside for the whole meet and mark down the finishing positions of the scoring lanes. At no time are you involved in any disputes, you just record which lane finished 1st, 2nd, 3rd and 4th. We need a Sweep Judge for both home and away meets.

Thanks for your help with everything, this team cannot work without all of you.

Sandra & Pam
