Subject: Swim Meets

Good Evening Swim Team Parents

I just wanted to say a huge thank you to everyone for all your efforts last night. As I mentioned at the Parents Meeting back in May, the Mock Meet is organised chaos and at the beginning of the night it felt a little more like unorganised chaos but as the night wore on you guys seemed to settle into your duties and the kids seemed to get to the blocks in a more timely manner. We have lots of new parents and kids this year so it is a huge learning curve but I feel last night went well and gave you a good idea as to how a Meet is run...know that it does get easier!! If you have any questions about last night or future meets please feel free to ask me or anyone on the Board.
