Subject: Signupgenius.com

If any of you receive an e-mail from signupgenius.com about the volunteer duties roster or the set up/clean up roster, please disregard. This is a website we were looking at to sign up for volunteer jobs; however, it did not suit our needs. The volunteer rosters are on the website [Volunteers Page](#).

Also, I'd like to say thank you to all those who have found their way to the Vacation/Unavailability Form on the website ([Forms Page](#)). This is a much easier way of notifying the coaches and Meet Coordinators you or your swimmer's unavailability. It is also an easy "green" way to do our part to help the environment!
