Hi Everyone,

Thanks to everyone for a great "first" swim meet. I am going out of town from June 26 - July 2. I will be on a camping trip and will not have Internet access or very good cell service. If you have any questions or need help please email another one of our board members, they are listed on our website under contacts.

Good Luck at our 2 swim meets next week.

Thank you,  
Nanette Stewart
