We found a volunteer!

Brain Kupferer will be taking the boards to and from the Colony pool.

Thanks again Brian, we appreciate it!

Subject: Colony Meet on 6/27

Good Afternoon everyone,

I need a big favor from someone! Nanette and her family are out of town and we desperately need someone with a pickup truck to transport the lane slip boards to and from tomorrow's meet. If we can't find someone, we'll have to go back to the old way of doing business – track swimmers down and hand them out. If anyone has a pickup truck and wouldn't mind taking care of this, the swim team would be very appreciative!

Pat told Nanette that we would take care of it but my lovely wife did not realize how small our Santa Fe SUV really is:)

Please let us know so we can assist with unlocking the storage area of our pool.

Thanks!
