Subject: Volunteer Positions

Swim Team Parents

We want to extend to you the offer of 'shadowing' volunteer positions this year that you may be interested in learning about for next year's season...yes we're thinking about that already...oh the life of a Meet Coordinator!!

If anyone is at all interested in knowing what is involved in Ref, Starter, Clerk of Course, Scorekeeper etc and would like to see for themselves without any commitment then we would be only too happy to set this up. Just come and see me or Pam at the meets or e-mail us and we can decide the best person to pair you with to ensure you get a good grounding in the position.

Thanks for all your help so far this year, we cannot manage these meets without you.

Sandra Di Gangi
