Subject: KC Swim Team gold party

Good Afternoon Swim team families,

One last reminder about tomorrow night's fundraising event. We are having a gold and silver party upstairs in the recreation center from 6:00-8:00 during our swim meet with Windy Point. Bring in broken, old, unused gold and silver items to sell for cash for yourself. You can bring your items in and have them The swim team earns 25% of the total amount taken in from Gold Gurus. This does not come from your take home. Please invite friends, family members, neighbors, and coworkers to come out and support the Dolphins while making a little cash for themselves. Attached is a flyer with more details.

Thanks for your support,

Nancy Rose

Sponsorship Coordinator
